Two blue arrows point to the plenary speech and the SDG Institutional Reports of co-hosts activities.

The keynote speech was on “Achieving the Sustainable Development Goals in Higher Education: Best Practices, Synergies and Trade-offs” by Assoc. Prof. Dr. Kitikorn Charmondusit, the Vice President for Environment and Sustainable Development of Mahidol University, Thailand. The highlight of the conference is the presentation of the 16 co-hosts and the host of their best practices in tackling the SDGs and also identified some of their main challenges.

The co-hosts of the conference were mainly from low-middle countries like the Philippines and Indonesia.
